JAVIER HERNÁN PLAZA

Student: _____

Course: _____

Aspects to evaluate	1. Needs improvement	2. Fair	3. Good	4. Great	5. Excellent
Title	The Comic has no title.	The title is not creative and it cannot be related with the topic.	The title of the comic is the same as the topic selected it.	The title is quite creative and related with the topic.	The title is creative, well designed, appealing and it is related with the topic.
Sequence of the comic. Coherence of the story	The story does not present a narrative coherence. Simultaneous comic strips are not related and the story is not understood.	The story has little narrative coherence. Some continuity is appreciated but it is difficult to follow the narrative thread and the transitions between the strips are not clear.	The comic is organized and has narrative coherence but some strips have no relation between them.	The comic is quite organized. The scenes follow a continuity. An idea or scene is out of place. The transitions are clear.	The comic is very well organized and follows a logical sequence with clear transitions.
Design	The design of the comic is not flashy and the design does not encourage reading it. It has one strip per page.	The design is not striking and it has only 2 strips per page.	The design is quite appealing, but is not painted and it has 3 strips per page	The design is attractive and uses artistic elements that allow fluent reading. Each page has 4-5 strips.	The design is attractive and uses artistic elements that allow fluent reading and are very showy for the reader. Each page has more than 5 strips.
Historical explanation of the comic	The explanation offered about the historical context and characters of the comic do not fit the historical facts.	The explanation fits little to the historical context. In the comic strips you can see many elements / designs that do not match the historical period that is being worked on.	The explanation fits the historical context. Although there are elements that do not correspond to the period or historical facts.	The explanation fits the historical context. The elements represented in the comic relate with the events of the period.	The explanation and historical context offered are linked to real historical events and bibliography is used to support the evidences.
Grammar and orthography	No spelling or grammar mistakes	There are 1 to 3 spelling and grammar mistakes.	There are 4 to 6 spelling and grammar mistakes	There are 6 to 8 spelling and grammar mistakes	There are more than 8 spelling and grammar mistakes
